***SLIPSTREAM POETS***

***MONDAY 3 OCTOBER, 2016***

Master of Ceremonies

LAWRENCE LONG

presents a workshop on

**RINGS NO BELLS – The Nobel Poets**

Like the Rio Olympics but without the money.

Full of completely unknown stars and the odd famous person.

Chosen from over a century of Nobel winners

A non-Brexit presentation involving strange foreigners and their funny ways with poetry (and possibly a Brit or two).

The judges' decisions will be final, arbitrary and incomprehensible.

The poetry will give food for thought.

There will be writing exercises when I have thought of them.

Come and get glued to the page like you would to the TV.
