"On the move"

.....On motorcycles, up the road, they come:
Small, black, as flies hanging in heat, the Boys,
Until the distance throws them forth, their hum
Bulges to thunder held by calf and thigh.....

(Thom Gunn)

An anthology of poems inspired by different kinds of journeying – on foot / by bicycle / motor bike / car / train / ship / plane

We then make our own journeys

A Poetry Workshop led by Paul Ward
